

# Project Audit

---

Project:  
**Matrix Protocol**

January 18, 2021

**Matrix Protocol**

# Overview

This audit has been prepared for **Matrix Protocol** to review the main aspects of the project to help investors make an informative decision in the research process.

You will find a summarized review of the following main key point::

- Contract's source code
- Project and team
- Website
- Social media & online presence

**NOTE: We ONLY consider a project safe if they receive our "Certificate of Trust" NFT. This report only points out any potential red flags found in our analysis. Always do your own research before investing in a project.**

# Smart Contract Review

The contract review process pays special attention to the following:

- Testing the smart contracts against both common and uncommon vulnerabilities
- Assessing the codebase to ensure compliance with current best practices and industry standards.
- Ensuring contract logic meets the specifications and intentions of the client.
- Cross referencing contract structure and implementation against similar smart contracts produced by industry leaders.
- Thorough line-by-line manual review of the entire codebase by industry experts.

*"The results of this audit are purely based on the team's evaluation and does not guarantee nor reflect the projects outcome and goal"*

# Matrix Protocol Project & Team Review

**According to their website,** *Matrix Protocol is building an ecosystem, with several games in development, a cross-chain NFT marketplace, and creating multiple partnerships with big sporting leagues and artificial intelligence startups in a bid to help those that help others.*

*The project is focused on long-term goals, now being an LCC registered company with the lead developers KYC doxxed. You know your investment is in safe hands in a space fraught with scams and rug pulls.*

## **Team:**

- Company is registered in Australia as MATRIX PROTOCOL PTY LTD
  - Australian Company Number 655 753 058
- Team seems doxxed with real photos
- Team is KYCd
